

Snowflakes in the air today, with that comes, getting the golf course ready for winter. Friday November 20th, will be the last day of the 2020 golfing season!

Tee Times are a must the weather looks good.

We will begin winter turf treatments over the weekend.

The course just kept getting better and better all year long thanks to our great golf course crew. For those of you that do not know at the Harvest Golf and Dinner event we added Brian “Boots” Short, golf course superintendent, to the wall of fame for his long term loyalty and service to Dutch Hollow. We now have started a East Wall, “The Boot’s Wall” Reb and Patty Baier joined Brian on the wall of fame. A special thank you to Brian, Dean, Kirk, Denny, Mike and Steve for a job well done.

A Very special Thank you for all of our Staff that came to work under trying conditions, taking the time to make sure your health and safety were of the utmost important factor. It was great to see a team effort by all.

Bar will be closing Friday November 20 at end of the Day.

We hope to see you all in just a few short months, stay safe and healthily.

We will still be coming to work getting ready for next year.
