A team roster will be provided once sign-ups are complete. If you cannot make a match, you have the option of making up the round with your opponents prior to the next round or taking the lowest amount of points available. If your opponent is unable to play, you may make the match up or play on the schedule night by yourselves or another couple in the league. It is your responsibility to communicate with your opponents regarding scheduling matches. The pro shop will have the tee open for us on Friday evening from 3:30-5:00 p.m. Any times outside that window will be at the pro shop's discretion. Please be sure to turn in your scorecards promptly after your round. More information will be provided once we have our roster completed.

Sign up at the open house on April 7, 2024 or by e-mail to [mmmuldoon59@yahoo.com](mailto:mmmuldoon59@yahoo.com). Please sign up by Friday April 30, 2024, so we can get the schedule completed and distributed to everyone in the league. Please provide us with both names of partners, contact information, (phone number, e-mail), so opponents can touch base with you before the week of play. Your dues need to be paid by the first night of play, May 17, 2024. We look forward to another fun season! See you all soon. Let's hope for good weather for our league and all the others!
