Holes 1 – 6 **Format: Drive – Then Split Into Two.**

Everyone drives from the tee; at that point the team must split into two teams of two players. Twosome **A** and Twosome **B** now play as two separate two person Captain and Mate teams for the balance of the hole. Once you choose the twosomes each two can begin from any of the original drives. You can split differently on each hole but remember remain with same two until the hole is finished. The result for the hole will be two scores. Add them together for the foursome team total.

Holes 7-12 Format: **Old Fashion Scramble**

Standard 4 person Captain and crew, everyone plays from the selected ball until holed. You may not use the same persons tee shot on all six holes.

Holes 13 – 18 **Format: Drop Out Scramble**

All Four players **Tee Off** on these six holes. Select the one tee shot of the four you wish to play; the player's shot that is selected has to drop out for the next shot. For the next selected shot that player drops out and the omitted player returns to the lineup. Remember all four can hit the tee shot. Example: after all four hit from the Tee, Joe's shot is selected, Joe drops out and the other three hit. With shot Two, Lisa's ball is selected, she drops out and Joe returns.

Tee Markers: White – men

Gold- Men 70 and older Formula

Red – Ladies

Silver – Women 72 and older and women who are beginners

Games: Closest to the pin # 14 (men and ladies)

Closest to the line # 18 (men and ladies)

Long Drive # 1 (men and ladies)

Closest to the hole in 2 shots # 7

Pollies- if you make a team putt longer than the flagstick write a **P** on the card – (most pollies win. a bottle of wine).

Dinner tickets will be given to you when you hand in your scorecard.

Prizes: Gross and Net (two Divisions)
